Dear Robert,

Some eight years ago I made contact with your Dad and humbly apologised and being the good kind man he was, he accepted my apology

Then I asked to speak to your Mum and she in

like manner also accepted
my apology.

I now wish to
sincerely apologise to
you Robert for the wrong
I did to you. I know
it upset you and your
family greatly. I take full
responsibility for my wrong.
Yours in humble repentance

Noel Tanner.
